

Join us at a location near you for an introduction of the NEW **IOWA QUALITY STANDARDS & HANDBOOK**

WHAT: Be among the first to try out the standards and new handbook as your tool and resource for self-appraisal and planning for those providing quality services to people experiencing or at risk of homelessness. Don't miss a chance to test-drive the **Iowa Quality Standards and Handbook** in six locations statewide.

WHY: These gatherings are a culmination of a two-year collaborative effort of the **Iowa Council on Homelessness** and its State Planning Advisory Committee to strengthen a statewide system of quality services for people experiencing or at risk of homelessness.

WHO SHOULD ATTEND: Planning groups and organizations providing emergency shelter, transitional housing, permanent supportive housing, rapid rehousing, housing first, homelessness prevention, and outreach should participate. Partnering organizations are also welcome. The Iowa Quality Standards and Handbook are designed for seasoned and start-up programs and organizations.
